

WORKING FOR KENTUCKY

Kentucky Power, headquartered in Ashland, provides service to approximately 162,000 customers in all or part of 20 eastern Kentucky counties. Kentucky Power's distribution operations work from service centers in Ashland, Hazard and Pikeville and from area offices in Paintsville and Whitesburg.

Kentucky Power is proud to carry on a tradition of customer service and community leadership for more than a century. We provide electricity to power the economy and invest millions of dollars in capital improvements and in communities to help meet economic development, environmental, educational and other needs.
